REPORT  
OF  
THE BOARD OF EDUCATION,  
OF THE TOWN OF ROLLINSFORD,  
FOR THE YEAR ENDING FEBRUARY 15, 1904.

---

We beg lief to report the condition of our schools, for the past year.

By an Act of the Legislature, the schools of the town were made one district and their supervision placed in the hands of three members.

Entering upon our duties in the spring of 1903, we found ourselves handicapped by the condition of our High and Primary schools. Prof. Pugsley was teaching a five years course and Miss Philpot was caring for about fifty pupils in the engine hall, with but twenty-four desks, the balance of the school was seated promiscuously about the room. For the High school, we deemed it best to have a four years course and not advance the lower grades, but keep all the grades back one year, believing that the teacher of the High school

would have more time and the pupils be better prepared to enter South Berwick Academy or any other similar institution, and thus save a year or two of tuition at these schools.

As for the Primary we were kindly allowed the use of the small hall and purchased forty-eight sittings and desks for the same. This seemed to answer all purposes for the spring term, but with the commencement of the fall term we found an addition of twenty Primary pupils, or nearly seventy, and had again to return to engine hall and secure an extra teacher. Twenty pupils were placed there under the care of Miss Noyes.

Believing that justice cannot be done to either pupil or teacher where the school is so small that there is no room for rivalry, competition or enthusiasm, we closed the Pear Yard school after the spring term, and the pupils, six in number, were conveyed to other schools. One to the High, two to the Grammar, and three to Mrs. Goodwin's.

With the commencement of the fall term several of the more advanced pupils were taken from Sullivan and Quamphegan schools and placed in the High school. By so doing the teachers in these schools had at least 25 per cent. more time than formerly.

Only one teacher, Mrs. Etta Goodwin, remains of the four teachers in the outside districts, and Miss Florence Stevens of Durham, Miss Luanna Perkins of Franklin, and Miss Madeline Taylor of Freedom, were selected to fill the positions at Pear Yard, Turnpike and

Quamphegan schools, respectively. On account of the death of her mother one of our oldest teachers, Miss Sanborn, gave up her position as teacher in the Grammar school, and Miss Gertrude L. Trufant of Parsonsfield, Me., was selected to fill the position. With the giving up of the Pear Yard school Miss Stevens retired, having secured a position in the Dover schools. Our corps of teachers is as follows:

HIGH SCHOOL—Mr. Everett A. Pugsley.

GRAMMAR SCHOOL—Miss Gertrude L. Trufant.

INTERMEDIATE SCHOOL—Miss Florence E. Stevens.

FIRST PRIMARY SCHOOL—Mrs. Abby C. Gilman.

SECOND PRIMARY SCHOOL—Miss Florence Philpot.

THIRD PRIMARY SCHOOL—Miss Edith Noyes.

SULLIVAN SCHOOL—Mrs. Etta W. Goodwin.

QUAMPHEGAN SCHOOL—Miss Madeline Taylor.

TURNPIKE SCHOOL—Miss Luanna Perkins.

We cannot but speak kindly of all of our teachers. All have labored faithfully in their several positions. Good order and good discipline have been enforced, and the schools are a credit to the educational interests of the town of Rollinsford.

As there was no appropriation for the sending of pupils to South Berwick Academy, we did not deem it wise to pay for the spring term of 1903, but waited until the beginning of the school year, the fall term. Eleven pupils have had their tuition paid for two terms.

Wishing to have a uniformity of text books throughout the district, we have purchased only a few new ones,

but have waited that we might more carefully comprehend the situation in its entirety, but text books, paper, pencils, pens, ink, etc., have been furnished free.

Wishing to keep within the limits of our appropriations, there have not been many extra repairs done, only those that were actually needed. The purchase of seats, the repairs on the High school building, the changing of the boiler somewhat, and the building of a privy at Sullivan school, are the leading repairs. There should be in the near future a new hardwood floor laid in the First Primary schoolroom, new seats for Quamphegan school, Sullivan schoolhouse painted, a better supply of blackboards, and a liberal sum allowed for text books.

We would not close without speaking words of praise of all the exercises at the close of the past school year. These examinations and graduation exercises found the parent, pupil and teacher in hearty accord, vieing with one another to make the day both pleasant and profitable, and not soon forgotten.

We trust that the school year just closed will compare favorably with those of the past.

Respectfully submitted,

J. D. ROBERTS,	}	Board
M. B. HARRITY,		of
L. W. BREWER,		Education.
